

## 4<sup>TH</sup>-6<sup>TH</sup> GRADE CO-OP CLASSES

These class descriptions were collected from years of class schedules at our enrichment co-op. They are ideas for inspiration, but do not include lesson plans or curriculum. Occasionally, this group might get paired with the 7<sup>th</sup>-8<sup>th</sup> graders in a class, depending on the subject.

*Basic class kit* for 4<sup>th</sup>-6<sup>th</sup> grade includes pen or pencil, plus a spiral notebook and/or binder. *EC* = Enrichment Classes. *EOE* = Evening of Enrichment (end-of-semester program).

See the full blog post with all grade levels at [nickitruedell.com](http://nickitruedell.com)

### **Beginning Sewing Part 2 (4-6)**

A continuation of last semester's Beginning Sewing Class. Students will improve hand & machine sewing skills.

**Fee:** \$0  
**Supplies:** Sewing Kit, Sewing machine if possible  
**Homework:** light

### **Crafts (4-6)**

Recycling & fabric crafts will be the focus of this class. We will make fabric yo-yos, fabric jewelry, embellish shirt/jeans/flip-flops, & possible appliqué. Need not be skilled at sewing but able to hand sew.

**Fee:** \$10  
**Supplies:** Sewing kit: sewing needle, pins, thread, sharp scissors,  
Clear quilt ruler if possible  
**Homework:** light

### **Educational Games (4-6)**

Practice your skills while participating in activities such as trash can basketball, logic puzzles, spelling bees, vocabulary bingo, etc.

**Fee:** \$2  
**Supplies:** Pencil, Paper  
**Homework:** light

### **Model Cars & Rockets (4-6)**

Take this class to build model cars & model rockets. We'll also install engines in our rockets and shoot them off.

**Fee:** \$12  
**Supplies:** none  
**Homework:** none

### **Watercolor (4-6)**

Learn to watercolor! It's just plain fun. Two hour class, but may take only one hour.

**Fee:** \$25 new, \$15 returning  
**Supplies:** Included with fee  
**Homework:** none

### **Remember the Alamo (4-6)**

One hundred seventy-five years ago, an out-numbered band of patriots made their stand in the ruins of the Alamo Mission near San Antonio de Bexar, and won their place in history. This class will address a number of topics. Who were the Alamo defenders? Why did they cast their lot in this hopeless battle? What events lead to this pivotal

moment in Texas history? What transpired during the 13 day siege? How did their heroic efforts affect Texas' struggle for independence? Students will create journals & make entries relevant to class discussions. We'll also map out Revolutionary Texas.

**Fee:** \$4  
**Supplies:** Basic Class Kit  
**Homework:** light

#### **Quilting for Fun (4-6)**

Come & make your very own quilt! Take one hour or two. We will learn to use some of the different types of quilting tools. Must have & be able to use your own sewing machine. Fabric required: main color – 1yd, 2 other colors – ¾ yd of each, binding – ¾ yd, & batting for twin quilt.

**Fee:** \$2  
**Supplies:** Sewing machine, Sewing kit, Twin size batting, Fabric, Binding  
**Homework:** optional

#### **Street Hockey (4-6)**

We will have fun in this class learning the basic rules of hockey with a twist. No ice skates needed! You will be expected to participate & have fun in a safe environment.

**Fee:** \$6  
**Supplies:** Newspaper, Masking tape, Duct tape, Tennis shoes  
**Homework:** light, stick repair

#### **Sunday on a Friday (4-6)**

Starting off with music, we will be studying Old & New Testaments in a fun way. Some content covered: Joshua, Rehab, Jericho, Jesus Stills the Storm, Transfiguration, Lazarus & Rich Man, Lepers, Zacchaeus, & more. This will be a fast-paced class with music, crafts, work sheets, stories, games, & skills. Each week will feature a different “take home” sheet to share with family.

**Fee:** \$2  
**Supplies:** Basic Class Kit  
**Homework:** none

#### **Awesome Earth (4-6)**

Students will discover interesting facts about earthquakes, volcanoes, glaciers & more. We will explore with hands on activities & learn about God's awesome earth!

**Fee:** \$0  
**Supplies:** Basic Class Kit  
**Homework:** none

#### **Famous Men of the Middle Ages (4-8)**

This yearlong History course is continued from last semester. We will comprehensively cover the Middle Ages investigating the lives of people such as St. Francis, Marco Polo, William Tell, & others. Reading assignments combined with workbook exercises will include map work, timelines, vocabulary, & art projects. This will serve as a complete history course. Homework is mandatory. New students may join with purchase of textbook & workbook.

**Fee:** \$35 new, \$0 returning  
**Supplies:** Basic Class Kit, Colored pencils, Textbook, Workbook, Paper  
**Homework:** heavy

#### **Small Projects (4-8)**

This special project (handy skills) class will introduce tools, their uses, & basic skills. Students will learn proper tool recognition, use, care, & storage. We will make tool boxes, busy boxes, repair broken wire, stain wood, install

batteries, & other small projects. Independence & self-reliance will be encouraged as students use their newfound skills around the home.

**Fee:** \$20

**Supplies:** Basic tools: hammer, Phillips & flathead screwdriver, pliers, needle-nosed pliers, adjustable wrench, One roll electrical tape

**Homework:** none

### **Dance for the Lord (4-6)**

*And their children dance. Job 21:1* Join us as we learn how to praise God by dancing to praise & worship music.

*It's time to dance. Ecclesiastes 3:4*

**Fee:** \$0

**Supplies:** Workout clothes

### **First Form Latin I (4-8)**

This class will continue to drill translations, conjugations, & declensions. It will utilize a grammar approach focusing on grammar forms and vocabulary following a classical learning model. This course is a continuation from last semester & will require both written homework & memorization. If you sign up for the class, be prepared to work. Students MUST have taken Latin last semester or equivalent course at home with teacher approval.

**Fee:** \$0

**Supplies:** Basic Class Kit, Paper  
Textbook, Workbook

**Homework:** Heavy

### **Volleyball (4-8)**

Volleyball rules, skills, & drills will be taught as well as importance of teamwork & responsibility.

**Fee:** \$0

**Supplies:** Workout clothes,  
Knee pads, Volley Ball

**Homework:** none

### **Educational Games (4<sup>th</sup>-6<sup>th</sup>)**

Come play and learn with some of your favorite games. We will have "Spelling Bees"; "Math Bingo" with addition, subtraction, and multiplication facts; "Backs to the Board," a word guessing game, "Trash Can Basketball" and more!

**Fee:** \$1.00

**Supplies:** Basic Class Kit, paper

**Homework:** light

### **Beginning Sewing (4<sup>th</sup>-6<sup>th</sup>)**

Children will learn basic sewing skills, measuring, threading machine, use basic stitching, understanding patterns, and learning all parts of the machine. They will also be working on a sewing project of something they will be able to use.

**Fee:** \$5.00

**Supplies:** tape measure, seam guide, wrist pin cushion, thimble, scissors (to cut thread), straight pins, pencil box to hold everything (or sewing box)

**Homework:** none

### **How to Build Model Cars & More (4<sup>th</sup>-6<sup>th</sup>)**

In this class we will be building model cars and trucks. We will talk about the different kinds of cars; trucks building the engines and transmissions and their parts, how to paint or air brush paint the colors, etc...

**Fee:** \$12.00 (this will be the average cost of the car) If you have your own that you would like to bring then you can do that instead of payment.

**Supplies:** Basic Class Kit  
**Homework:** none

### **Beginning Calligraphy (4<sup>th</sup>-6<sup>th</sup>)**

Learn the art of decorative writing. We will learn two Italic script alphabets, using time in class to work on a project of your choice (Bible verse, proverb, poem, etc.). We will also cover page layout and decorative flourishes. Paper and pens will be provided.

**Fee:** \$5.00

**Supplies:** please bring pencil, eraser, ruler, and old shirt or apron to protect your clothing.

**Homework:** none

### **38. Little House Cooking (4<sup>th</sup>-6<sup>th</sup>)**

If you love Little House on the Prairie, and you've always wanted to try the foods described in the books, then this is your class! Using the Little House Cookbook, we will make a different authentic recipe every week and then eat it! We will enjoy foods that the Ingalls family and the Wilder family enjoyed. All ingredients will be just like in the book, so some of the ingredients may not be suitable for those with food allergies or intolerance.

**Fee:** \$3.00

**Supplies:** Apron or over shirt

**Homework:** none

### **What Researchers Learn From Small Living Organisms (4<sup>th</sup>-6<sup>th</sup>)**

We will look at microscopic organism; discuss how researchers use these organisms for research. We will look at carnivorous plants and discuss how they work. We will study Bess bugs.

**Fee:** \$10.00

**Supplies:** Basic Class Kit

**Homework:** light

### **Irish Pennywhistle (4<sup>th</sup>-6<sup>th</sup>)**

Learn to play the Irish Pennywhistle. This class is beginner level; no prior musical experience necessary.

**Fee:** \$14.00 for whistle + book or \$20.00 for whistle + book + CD

**Supplies:** Basic Class Kit, Irish Pennywhistle and book

**Homework:** moderate

### **Beginning Origami (4<sup>th</sup>-6<sup>th</sup>)**

\*Boxes and Birds; Boats and Coats; Frogs and Dogs\*

We can learn to make these – and more! – in Beginning Origami. Mastering basic folds is the key to unlock your skills. Come fold with me!

**Fee:** \$10.00

**Supplies:** 1 folder with pockets; 1 Ziploc bag (qt or gallon size)

**Homework:** light-moderate

### **Crafts (4<sup>th</sup>-6<sup>th</sup>)**

For all of you creative people come prepared to use a variety of mediums and your most creative and willing attitude. Who knows what we will get into?

**Fee:** \$10.00

**Supplies:** general craft stuff – scissors, paint brushes, needle nose pliers, hammer, wire cutters and other as needed.

**Homework:** none

### **Jewelry Making With Beads (4<sup>th</sup>-8<sup>th</sup>)**

We will be learning how to design and make necklaces, bracelets and earrings. We will design and make napkins rings.

**Fee:** \$15.00 / \$10.00 if you were in the spring class

**Supplies:** Basic Class Kit  
**Homework:** none

**Lewis & Clark: Their Journey of Discoveries (4<sup>th</sup>-6<sup>th</sup>)**

The Lewis & Clark Expedition was a milestone in American History – a brave, bold adventure that paved the way for the fledgling nation’s stretch from sea to shining sea and yielded vital contributions to the natural sciences. This history class will include fun doses of geography, botany, earth science and good ole American creativity as we retrace the route of the Corps of Discovery, prepare a plant identification book, study the lunar cycle, explore bird dances and make a buffalo mask. All crafts will be age appropriate. Weather, time and interest allowing, we may also plan a Saturday field trip to explore animal tracks. If we have homework it will be very light – perhaps one topic/student to research and share in class.

**Fee:** \$4.00  
**Supplies:** Basic Class Kit  
**Homework:** light

**Badminton (4<sup>th</sup>-6<sup>th</sup>)**

We will learn the rules of Badminton and learn how to play the game.

**Fee:** \$0  
**Supplies:** gym clothes and tennis shoes  
**Homework:** none

**Chess (4<sup>th</sup>-8<sup>th</sup>)**

This class will give you a place to continue to build your skill and strategy while learning new ideas. Prepare to be challenged and have fun. Four way chess included. (You need to already know how to play chess or have taken the chess class last semester.)

**Fee:** \$0  
**Supplies:** Basic Class Kit  
**Homework:** none

**Pirates Past Noon (4<sup>th</sup>-6<sup>th</sup>)**

Ahoy! It’s a treasure trove of trouble...We will discover what pirates were really like as we dig up the answer with Jack and Anne as they are whisked back to the days of deserted islands and Nasty pirates!

**Fee:** \$3.00  
**Supplies:** Basic Class Kit  
**Homework:** none

**Creative Poetry (4<sup>th</sup>-6<sup>th</sup>)**

In this class we will have some fun learning about poetry. We will learn some basics about the structures of poetry but we will mainly just learn to express ourselves without the boundaries of grammatical rules. We will also lightly touch on some well known poets.

**Fee:** \$3.00  
**Supplies:** Basic Class Kit  
**Homework:** light

**Boy, Have I got Problems (4<sup>th</sup>-8<sup>th</sup>)**

This book is written by Kay Arthur and Janna Arndt. This is an inductive Bible study using the book of James. *Boy, Have I Got Problems* is a Bible study that takes everyday problems that children face and helps them find the answers on how to handle them in the book of James. It is a way to help kids understand how to use God’s Word for all situations. This is a great discussion class as well as workbook.

**Fee:** \$7.00 new students (includes book)  
\$2.00 returning students  
**Supplies:** Basic Class Kit  
**Homework:** none

### **First Form Latin (4<sup>th</sup>-8<sup>th</sup>)**

This class will continue to drill translations, conjugations, and declensions. It will utilize a grammar first approach focusing first on grammar forms and vocabulary following a classical learning model. This course will be taught over two semesters and will require both written homework and memorization. If you sign up for this class, please come prepared to work both in and out of class. **Students MUST have previous Latin experience either at home or EC equivalent to Latina Christiana I.**

**Fee:** \$28.00, pronunciation CD is an additional \$5.00 if desired.

**Supplies:** Basic Class Kit, paper

**Homework:** heavy

### **Tae Kwon Do (4<sup>th</sup>-6<sup>th</sup>)**

We will learn the basics of Tae Kwon Do. Returning students will learn more advanced techniques.

**Fee:** \$0

**Supplies:** Basic Class Kit

**Homework:** light

### **American Girl – Meet Kirsten (4<sup>th</sup>-6<sup>th</sup>)**

In this class we will meet Kirsten. She is an American Girl from 1854. We will learn about her voyage to the New World and her struggle to learn a new language. We will learn about Kirsten's world using map activities. We will also learn what girls like Kirsten did with crafts and cooking.

**Fee:** \$8.00

**Supplies:** Basic Class Kit, *Meet Kirsten* book

**Homework:** none

### **Geography Trails (4<sup>th</sup>-6<sup>th</sup>)**

We will be learning about North America through a unit study using 5 minute questions and maps. We also will learn the state capitols through songs.

**Fee:** \$0

**Supplies:** Basic Class Kit

**Homework:** none

### **Arts & Crafts 101 (4<sup>th</sup>-6<sup>th</sup>)**

We will be using natural products like eggs, straw and wood. Spring brings lots of new holidays to decorate for. You will learn how to blow eggs also.

**Fee:** \$15.00

**Supplies:** glue, glue stick, good scissors, smock

**Homework:** none

### **Beautiful Girlhood (4<sup>th</sup>-8<sup>th</sup>)**

We'll go through the book *Beautiful Girlhood*, do crafts and have fun learning how to be God's beautiful girl.

**Fee:** \$15.00

**Supplies:** Basic Class Kit

**Homework:** none

### **Polished Cornerstones, Part II (4<sup>th</sup>-8<sup>th</sup>)**

We will continue on with *Polished Cornerstone*. We will have lessons along with a short craft time most weeks. Craft projects will be different than first semester.

**Fee:** \$5.00

**Supplies:** Basic Class Kit; Good Attitude!

**Homework:** moderate

### **Basketball Basics (4<sup>th</sup>-6<sup>th</sup>)**

This class will cover the basic skills needed to participate in basketball: dribbling, passing, offensive play and defensive play. As we develop our skills we will also learn basketball rules and what it means to be a Christian athlete.

**Fee:** \$0

**Supplies:** tennis shoes

**Homework:** light

### **Creative Writing (4<sup>th</sup>-6<sup>th</sup>)**

Students will be exposed to the writing process through descriptive essays, narratives, informative, and persuasive writing. Poetry and letter writing will also be addressed. Come prepared to have fun and write. (We will be writing a "how-to" make a PB & J sandwich and then we will make them and eat them. If your child has any food allergies see me ahead of time.)

**Fee:** \$3.00

**Supplies:** Basic Class Kit, stationary & envelopes (just a couple of sheets). PAPER & PENCIL.

**Homework:** light

### **Claymation (4<sup>th</sup>-6<sup>th</sup>)**

Learn how to make a claymation story. We will choose the story, make the figures, design and make the background, and then animate and video the story.

**Fee:** \$15.00

**Supplies:** Basic Class Kit

**Homework:** light

### **Awesome Earth (4<sup>th</sup>-8<sup>th</sup>)**

A continuation of Awesome Earth 1, covering all new topics, including the atmosphere, cloud formations, seasons and weather. Students will explore through hands-on activities that teach about God's awesome earth!

**Fee:** \$1.00

**Supplies:** Basic Class Kit

**Homework:** light

### **Beginning Tambourine and Dance (4<sup>th</sup>-6<sup>th</sup>)**

Would you like to learn the techniques of worshipping with the tambourine? In this class we will cover the first level of world renowned dance instructor, Magrate Yap's, study of tambourine and dance. We will try to learn one tambourine routine each week, complete with a devotional on worship. The knowledge of this beautiful instrument is an art you won't regret possessing! We will perform on the Evening of Enrichment.

*"Let them praise His name with dancing; Let them sing praises to Him with timbrel and Lyre."*

**Fee:** \$15.00 includes tambourine

**Supplies:** Basic Class Kit

**Homework:** light

### **The Two Towers by J.R.R. Tolkien (4<sup>th</sup>-6<sup>th</sup>)**

It's time for the second leg of our journey with Frodo to destroy the One Ring. The Fellowship is broken and two of its members are lost. Read along as we venture to new locations in Middle Earth, such as Fangorn Forest, Helm's Deep, Isengard, and the Tower of Cirith Ungol. We will also meet new races and characters such as the Riders of Rohan, Ents, King Theoden, Gollum, Faramir, and Shelob. In class we will explore new maps of Middle Earth, dig deeper into its history, and discuss more spiritual elements in this riveting continuation of the Fellowship of the Ring. Reading the book is required, whether you read before the semester or along with the class. Watching the movie is fun, but is not a replacement for the book. A reading schedule will be handed out the first week. Be ready to take notes for weekly quizzes and see what kind of prize you can win! You need not have attended the previous class to enjoy this one.

**Fee:** \$2.00

**Supplies:** Basic Class Kit, pencil & paper for taking

notes, copy of *The Two Towers*.

**Homework:** moderate

### **Beginning Chess (4<sup>th</sup>-6<sup>th</sup>)**

In this class we will learn the basic rules and playing strategies of this timeless game as well as various openings. We will have a tournament towards the end of the semester. Whether you are new to the game or already play, you will find this class fun as well as challenging. Class cost includes our Basic Club Chess Pieces, Basic Vinyl Chessboard (20”), and Perfect-Fit Chess Pieces Bag for each student.

**Fee:** \$10.00 only if don't already have the chess

board from last semester.

**Supplies:** Basic Class Kit

**Homework:** none

### **Paper Making & Marbling (4<sup>th</sup>-6<sup>th</sup>)**

Explore the craft of hand-made paper. We will produce different varieties of paper and learn about paper marbling.

**Fee:** \$5.00

**Supplies:** folder for handout pages, old shirt or apron to

protect clothing

**Homework:** none

### **Drive Through History (4<sup>th</sup>-6<sup>th</sup>)**

We will be watching a witty instructional video and introduce historical figures, highlighting the virtues and contributions they made for the nation. We will also memorize speeches that these figures were known for along with other fun activities.

**Fee:** \$0

**Supplies:** Basic Class Kit

**Homework:** light

### **Irish Pennywhistle (4<sup>th</sup>-6<sup>th</sup>)**

Learn to play the Irish Pennywhistle. New students and continuing students welcome.

**Fee:** \$15.00 new students only

**Supplies:** Irish Pennywhistle and tune book (will be

supplied if you pay new student fee)

**Homework:** light

### **Volleyball (4<sup>th</sup>-8<sup>th</sup>)**

We will learn the rules and basic fundamentals of the game that can be played and enjoyed by all ages.

**Fee:** \$1.00

**Supplies:** tennis shoes and loose clothing

**Homework:** none

### **“Life’s Lessons” Skit Club (4<sup>th</sup>-6<sup>th</sup>)**

A series of short skits based on “The Ten Commandments”. Each student will have a chance to write their own short skit; direct it and perform it. Questions and answers will be discussed after each skit. Required: keeping notes on questions and answers and skits that are performed and written by students. No specific doctrines will be presented. Students only write one skit per semester unless they want to do more and if they prefer not to write, it will be optional.

**Fee:** \$6.00

**Supplies:** Basic Class Kit

**Homework:** light

### **Beginning Embroidery (4<sup>th</sup>-12<sup>th</sup>)**

Not all of us can have a machine that does the embroidery – learn the many stitches so that you can create that special gift or fabulous garment for yourself.

**Fee:** \$5.00

**Supplies:** embroidery needle, hoop (6”- 9”), scissors, a container to carry supplies, other supplies as class develops.

**Homework:** light

### **Cookies! (4<sup>th</sup>-6<sup>th</sup>)**

We will be making all kinds of cookies. There will be press cookies, drop cookies, bar cookies and cut out cookies. We will also learn how to make three different kinds of icings. Some of these cookies will also have fruit in them. We will be doing some variations on the rice crispy bars too!

**Fee:** \$6.00

**Supplies:** none

**Homework:** none

#### **U. S. Presidents (4<sup>th</sup>-6<sup>th</sup>)**

In this class we will learn about the U.S. Presidents. We will find out some interesting things about their lives, as well as memorizing them in order in a really fun and easy way.

**Fee:** \$3.00

**Supplies:** Basic Class Kit

**Homework:** none

#### **Literature Approach to Geography, History, and Science (4<sup>th</sup>-6<sup>th</sup>)**

This is a Beautiful Feet study of U.S. geography using the Holling Clancy Holling book, Paddle to the Sea. We will also be studying the history and science pertaining to these land areas using a unit study approach. There will be some research opportunities outside of class on a volunteer basis.

**Fee:** \$7.00

**Supplies:** Basic Class Kit, art quality map pencils i.e. Prismacolor, extra fine point pen or marker, 3-ring binder w/dividers, notebook paper

**Homework:** light to moderate

#### **Heart to Heart Stitches (4<sup>th</sup>-6<sup>th</sup>)**

Learn to sew by hand with new and fun projects. We will also be making a toothbrush rug weaving project.

**Fee:** \$10.00

**Supplies:** Basic Sewing Kit, scissors, needles

**Homework:** light

#### **Irish Ceili Dancing (4<sup>th</sup>-8<sup>th</sup>)**

Students will learn Irish Ceili dances. No prior experience necessary.

**Supplies:** none

**Homework:** none

#### **44. Awesome Earth (4<sup>th</sup>-6<sup>th</sup>)**

Students will discover interesting facts about earthquakes, volcanoes, glaciers and more. We will explore with hands-on activities and learn about God's awesome earth!

**Fee:** \$0

**Supplies:** Basic Class Kit

**Homework:** light

#### **Character Sketches (4<sup>th</sup>-6<sup>th</sup>)**

Learning Godly character through observance of animal character; also who in the Bible did or did not have this character. Character Sketches by Institute in Basic Life Principles.

**Teacher:** Sue Hendrickson

**Fee:** \$0

**Supplies:** Basic Class Kit, colored pencils

**Homework:** none

#### **Scrapbooking (4<sup>th</sup>-6<sup>th</sup>)**

This class is appropriate for the beginner or the advanced scrapbooker. We will learn some basic design techniques, use a variety of embellishments, and make simple pages look great.

**Fee:** \$15.00

**Supplies:** scrapbook pictures, scrapbooking tape or glue

**Homework:** none

#### **The Three Musketeers (4<sup>th</sup>-6<sup>th</sup>)**

All for one and one for all! This was the cry of the Musketeers. Reading the classic version of Dumas' adventure story, students will learn about 17<sup>th</sup> century France, political intrigue, warfare, weapons and gallantry. Students must be able to read the 160 page book during the semester and be prepared to discuss their reading in class. Books will be provided.

**Fee:** \$5.00

**Supplies:** Basic Class Kit

**Homework:** moderate

**Board Game Strategies (4<sup>th</sup>-8<sup>th</sup>)**

In this class we will learn strategies behind several board games. We will be trying new ideas and strategies to make game playing more enjoyable.

**Fee:** \$0

**Supplies:** none

**Homework:** none

**NETBALL (4<sup>th</sup>-12<sup>th</sup>)**

**GIRLS ONLY:** Children will learn the basic rules and skills to play netball, with a focus on teamwork and sportsmanship. Check out this video to see how much fun this game is:

YouTube: Aus VS NZ World Finals. Class Goal: Improved ball skills and knowledge of basic netball skills.

Supplies: Good Footwear is a MUST!

**WILD SCIENCE (4<sup>th</sup>-6<sup>th</sup>)**

Based loosely on Apologia's "Exploring Creation through Chemistry & Physics" and Bereans Builder's "Science in the Industrial Age", we will explore the amazing world of chemistry and physics and other disciplines in science as well as some men and women who have played a key role in the history of science. Class Goal: This class will encourage students that science is fun and always points back to our Creator. They will learn basic chemistry and physics principles.

Fee: \$15

**GEOGRAPHY THROUGH ART (4<sup>th</sup>-6<sup>th</sup>)**

Come explore countries and cultures around the globe! We will learn about the people, traditions, climate, and land as well as do an exciting weekly art project representing that corner of God's world. The final week each student will do a short presentation on a country of their choice.

Class Goal: Learn about countries and cultures around the world while having fun!

Fee: \$15

Supplies: Basic Kit plus Art Shirt/smock

Homework: Light

**SMART PHOTOGRAPHY (4<sup>th</sup>-6<sup>th</sup>)**

Students will learn basics of photography and apply them to a smart device. We will cover lighting, composition, editing and lots of hints and tips. One image of each student will be printed each week and a selection be displayed at Evening of Enrichment.

Class Goal: To grasp the basic rules of photography and apply them to a smart device.

Fee: \$15

Supplies: Smart device w/ Camera (Phone, iPad, etc.)

Homework: Light

**AUTHORS' TOOLS (4<sup>th</sup>-6<sup>th</sup>)**

Authors' Tools will use fun activities, including Pixar animated shorts to introduce students to literary analysis. Topics covered include plot analysis, character traits, point of view, mood, tone, genre and many other devices. Class Goal:

Students will gain knowledge about literary analysis and story vocabulary

Fee: \$2

Supplies: 3-Ring Notebook

**STREET HOCKEY (4<sup>th</sup>-6<sup>th</sup>)**

Street Hockey is a fun, low-key version of the fierce stuff you see on the Olympics or in the NHL. Just like when the big guys play, the objective is to acquire points by using a stick to guide the puck over the court and shoot it over the opposing teams' goal. But in Street Hockey, players wear sneakers instead of skates, use sticks homemade from newspaper and duct tape, and utilize the enter gym floor (no out of bounds). All students will have a chance to serve as team captains. The only "homework" is the building of hockey sticks at home before Week 1, which allows the entire semester to be devoted to playing time. Class Goal: Students will hone sporting skills (strategy, hand-eye coordination, puck control, teamwork and leadership); engineering/physics skills (stick building) and benefit from a thorough workout.

Fee: \$0

Supplies: duct tape, newspapers, sneakers or other safe footwear.

Homework: Moderate (build hockey sticks)

### **MATH WORKBOOK (4th–6th)**

Students will read together a math lesson and then as a class we will work on math problems together. The workbook will be provided. Class Goal: Students will demonstrate an understanding of numbers, operations and quantitative reasoning.

Fee: \$0

Supplies: Pencil, Calculator

### **MAPS, MAPS, MAPS! (4th–8th)**

This class is all about maps! Each week we will practice reading different types of maps – outline maps, population maps, resource maps, relief maps, etc.... We will also draw out some of our own maps. Class Goal: to introduce my students to many different types of maps and to map terminology and then to practice reading those maps.

Fee: \$0

Supplies: Basic Kit plus colored map pencils and a thin blacksharpie

### **ART & MUSIC (4th–6th)**

Art and music will allow students to gain appreciation for various works of art and music. Famous styles of art will serve as inspiration when we try our hand at creating art. Art & Music will learn about the lives of famous composers and artists. We will learn about charcoal, paper craft, watercolor and many other media. This class does NOT require art or music skill. Class Goal: We will have fun creating art and learning an appreciation for art and music.

Fee: \$10

Supplies: scissors, glue

### **INTERMEDIATE FLAGS (4th–12th)**

This semester will NOT be open to new flags students. Flags students will continue to expand their knowledge of spinning technique this semester. We will continue practicing drop-spins, windmills, inverted windmills and flips. While preparing an exciting routine for Evening of Enrichment, students will learn rolls, prayer toss, parallel toss and many other moves to expand their performance abilities. Weekly practice is required at home. Students in this class should have had 1–2 semesters of Flags. Class Goal: Students will learn a complete routine to perform for Evening of Enrichment. Students will add more technique to their knowledge base. Eventually, we'd like to do a coordinating routing between flags classes.

Fee: \$30

Supplies: Flag pole, practice silk, costume–TBD, Velcro (will be explained in class) for EOE

Homework: Moderate to Heavy

### **SHOW & TELL WITH SPEECH (4th–8th)**

Build your communication skills while playing show and tell. Each week will be a different theme. For homework each week, you will do an outline and create a speech and share during class.

Class Goal: to build confidence in themselves while speaking in groups

Fee: \$0

Supplies: Basic Kit

Homework: Moderate

**ADVANCED FLAGS (4th–12th)**

Students will be reviewing the fundamentals of spinning and tossing a flag, and learn new techniques which will be incorporated into a routine to be performed on the Evening of Enrichment. Students must have taken 3 semesters of Flags before taking this class. Students should only move up from beginning class if they are prepared for longer and harder routines. Class Goal: Students should have a better understanding regarding tossing and spinning the flag.

Fee: \$35

Supplies: Costume–TBA Homework: Moderate

**VOLLEYBALL (4th–8th)**

Come play volleyball with us and have a great time! Whether you are new to the sport or a seasoned player, you can always work on honing your skills. We will work on the fundamentals of this sport as well as spend time playing a game that can be enjoyed by people of all ages. This will be played outdoors. Class Goal: My goal is for each player to improve their individual skills, including form and court awareness and be more aggressive on the court.

Fee: \$0

Supplies: comfortable clothes & tennis shoes

**BOOK CLUB FOR GIRLS: KING OF THE WIND (4th–6th)**

The legendary history of the thoroughbred heritage combines with the true story of a beautiful friendship between a horse and his boy. The horse was Sham, a gold–red stallion born in the stable of the Sultan of Morocco. His amazing journey from the sands of the Sahara to the courts of France to the green fields of England eventually led to the founding of a legendary racing line. We will read Sham’s story at home and in class, hold discussion and learning more about all three countries and the times when Sham lived (c. 1724–53). Class Goal: To read and understand this Newbery Medal

classic, and learn more about the countries and customs of his times.

Homework: Light

Fee: \$8

Supplies: Copy of King of the Wind by Marguerite Henry

**MAD SCIENCE! JR. (4TH-6TH)**

We will be doing a variety of fun experiments using the scientific method.

Fee: \$10

Supplies: Basic Class Kit

**38. \*OUTDOOR GAMES (4<sup>TH</sup>-6<sup>TH</sup>)**

Let’s get active! We will play outdoor games. Good sportsmanship and fun will be emphasized.

Fee: \$0

Supplies: None

**BOARD GAMES A (4TH-6TH)**

We will play board games. We will learn to take turns, keep score, and just have fun. Bring your favorite games to share.

Fee: \$0

Supplies: None

**SCIENCE DETECTIVES A (4TH-6TH)**

We will learn several skills used by forensic investigators. We will use critical thinking, deductive reasoning, observation, and comparative analysis while learning about fingerprints, code breaking, mystery substance investigation and many other fun experiments.

Fee: \$0

Supplies: Basic Class Kit

**LEARN TO LEARN WITH LEGOS B (4TH-6TH)**

We will be using the “Learn to Learn” core set from Lego Education to practice skills across five learning areas: science, language arts, mathematics, social studies, and design & engineering. Working through the teacher-developed activities will promote communication, problem solving, and critical thinking. Each student will receive their own 72-piece set which includes two mini-figures and elements that will allow us to create models with movement. At the end of the semester, each student will be able to bring their set home.

Fee: \$7

Supplies: Basic Class Kit

Homework: None

### **UNITED STATES OF AMERICA (4TH-6TH)**

Want to know about the 50 states? Do you know all the capitals, state bird, flower? Do you know when the states joined & the order? Come learn about your United States of America.

Fee: \$0

Supplies: Basic Class Kit

### **TUMBLING (4TH-6TH)**

APEX Tumbling of Pilot Point, TX, will be offering tumbling classes this fall for all ages/grades and skill levels. We will cover all basic tumbling, positions, and terminology from beginner levels up to back handsprings. Technique is important, so we will be teaching through progressions, drills, and strength training so that no student tries something above his or her ability. Safe gymnastics is fun gymnastics! Our objectives are: Teach proficiency in skills. Aid motor development and coordination. Develop self-discipline. Develop self-confidence through accomplishment. Encourage healthy competition. Stimulate team spirit and friendships. Have fun! All APEX instructors are trained and have multiple years' teaching experience. Please wear appropriately modest clothing.

Fee: \$100 (discount for each additional student; payment plan offered)

Supplies: No jeans or other zippers or buttons on clothing. Shorts and a t-shirt long enough to stay tucked in is best.

### **GAGA BALL**

Gaga ball is a fast-paced, high energy sport played in an octagonal pit. Considered a kinder and gentler dodge ball, it combines the skills of dodging, running, jumping, and striking the ball, while trying to hit opponents with the ball below the knees. Fun and easy - this is a serious workout. We will play outside - please dress accordingly.

Fee: \$0

Supplies: comfortable clothing and shoes

### **FAITH KEEPERS**

Faith Keepers is a class for girls only. We work each week to master a new skill that the girls will then use to bless others. Examples of skills that we have learned include scrapbooking, candlmaking, crossstitching, mosaics, etc.

Fee: \$25

Supplies: Basic Class Kit

### **BERIC THE BRITON**

Beric is a young man in first century Britain. Imagine: Celtic tribes inhabiting what we now call England, fighting the Invading Romans, and uniting under Boudicca, Queen of Iceni. This was Beric's life, before he was captured, taken to Rome, and trained to be a gladiator! Through this exciting story, we will learn all about Ancient Britain and Ancient Rome. Students will complete weekly reading assignments from Beric the Briton by G. A. Henty at home. Class time will be devoted to hands-on activities, such as costumes, maps, and craft projects. This book is available in book and Kindle versions, as well as free online text and audio versions. This class is the first in a series of classes on the History of the English People.

Fee: \$15

Supplies: Basic Class Kit with scissors; rolling pin and spatula (2 weeks, TBA), black or brown flip flops, shoe box lid, copy of book.

Homework: Heavy

### **HOOKS AND NEEDLES**

This class is for all levels of aspiring knitters, crocheters, and embroiderers. Students are free to choose which skill they would like to master. Bring your ideas, unfinished projects, or the desire to learn something new.

Fee: \$0

Supplies:

Everyone: small pair of scissors

Knitting: Knitting needles size 8 or 9 yarn (cotton or acrylic)

Crocheting: crochet hook size H or I yarn (cotton or acrylic)

Embroidery: small embroidery hoop, embroidery needles, floss, something to embroider (a kit from Hobby Lobby or you can buy an iron-on transfer and put on a pillowcase or ?)

You won't need all of these unless you plan on doing all three. Just pick what you want to focus on. You are welcome to bring something you are already working on.

Homework: None

### **GIRLS BASKETBALL 101**

Basic training in the fundamentals of the game of basketball. Dribbling, shooting, passing, offense, defense, rebounding, etc.

Fee: \$0

Supplies: All students will need a good pair of tennis shoes.

### **MINI WEAPONS B**

We will learn to read simple building plans and stretch our engineering skills by building simple weapons from items found around the house and in the office. Small launchers, sling shots, catapults, and crossbows are but a few of the weaponry to be built.

Fee: \$6

Supplies: Basic Class Kit; safety goggles

### **BEGINNING HEBREW ALEPH BET**

This is a 2-semester course. We will learn the Hebrew Aleph bet & begin reading Hebrew. A daily review of 10-15 minutes will greatly increase a student's feeling of success. Come learn G-d's language!

Fee: \$10

Supplies: Basic Class Kit

Homework: Light

### **FIELD TRIPS AROUND TOWN**

Each week students will take an off-campus excursion to visit various community helpers, including the fire station, police station, dentist's office, and grocery store.

Fee: \$0

Supplies: Basic Kit

### **MINECRAFT CRAFTS**

Calling all Minecraft fans! Join the fun as we create various craft projects including painted wall art, pillows, light-up torches, and more.

Fee: \$20

Supplies: Basic Class Kit

### **FLAG FOOTBALL**

Students will learn the basic rules, positions, and plays of flag football.

Fee: \$0

Supplies: Athletic clothes and shoes

### **WULF THE SAXON**

The year 1066 was an important turning point in the history of England. After hundreds of years of fighting back and forth between the Saxons and Vikings, the final battle takes place at Hastings, when William of Normandy becomes William the Conqueror (and the new King of England). William introduced the age of feudalism, castles, knights, and all the fascinating parts of the Medieval era. In this story, the fictional Wulf and his best friend Beorn, fight bravely for their Saxon king capturing castles, rescuing shipwrecked survivors, repelling Viking invaders, and fighting the historic Battle of Hastings. We will begin the semester with a fastpaced overview of the first 1000 years of English history.

Students will be expected to read 2-3 chapters of Wulf the Saxon by G. A.

Henty each week. Class time will be spent exploring the geography, history, and culture of the world of England, France, and the beginning of the Medieval age with talks, videos, and hands-on projects. (This book is a sort-of sequel to The Dragon and the Raven, but students need not have taken that class to enjoy this one.)

Fee: \$10

Supplies: Book - Wulf the Saxon by G. A.

Henty; Basic Class Kit

Homework: Heavy

### **DANCE CHOREOGRAPHY**

Choreography is for guys and girls to learn Broadway-style dancing. We will pick a song from old musicals to use in our routine for Night of Enrichment.

Fee: \$15 costume fee

Supplies: Dance shoes (jazz/ballet)

### **MOUSETRAP SCIENCE FUN**

In Mousetrap Science, students will learn how to use the six basic machines present in a mousetrap to make a cannon, water balloon launcher, and mousetrap-powered car. Did you know that the speed of a mousetrap's slammer is 70mph or 102 feet per second? We will learn about angles, levers, fulcrums, potential and kinetic energy, net force, and motion.

Fee: \$8

Supplies: Basic Class kit

### **WATERCOLOR PAINTING**

Explore the world of watercolor painting as you experiment with quality paints, brushes, watercolor papers, and many different watercolor techniques (blending and mixing of colors, transparency, washes, layering, wet-on-wet/dry, and dry brush). Paint landscapes, seascapes, flowers, animals, and other subject matter that inspires you. No artistic background is necessary, but serious students only, please.

Fee: \$10

Supplies: Basic Class Kit, Paint Shirt

### **FLAGS**

Flags 4-6 will continue the fun EC tradition of flag corps! Students will have fun learning the basics of flag spinning and performance, culminating in a fantastic routine or Evening of Enrichment.

Fee: \$25

Supplies: Costume - long-sleeve black shirt, long black pants, black shoes

Homework: Heavy

### **INTRO TO SIGN LANGUAGE**

This class will be an introduction into American Sign Language.

Fee: \$3

Supplies: Basic Class Kit

Homework: light - Practice

### **AMERICAN GIRL**

Young Ladies: how would you like to live during the Edwardian Era, drink tea at elegant tea-parties, wear lavish dresses with ruffles and bows, and live in huge houses with servants and cooks? In this class, you can take a peek into the life of Samantha Parkington, an American Girl who lives in New York in 1904 - and lives this lavish life! Join Samantha as you learn about the lives of girls living in the early 20th century - where they lived, how they dressed, what they studied, and what kind of world they lived in, and have buckets of fun on the side as we do crafts, bake petit-four cakes, and

end our semester with an elegant tea-party of our very own! Note: We will be taking a field trip to Historic South Gainesville to walk through a neighborhood filled with houses like Samantha would have lived in!

Fee: \$15

Supplies: Basic class kit; "Meet Samantha -An American Girl" (fun, but optional – not required for class)

### **CREATION GEOLOGY**

In Creation Geology, we will take a look at rocks, fossils, and minerals. We will study earthquakes, erosion, volcanoes, and the forces that have carved our landscape, all from a young-earth, seven-day God-created viewpoint. I will be using information from Answers in Genesis, Apologia, ICR, and Masterbooks. Light homework will be required.

Fee: \$5 lab fee

Supplies: Basic class kit; 3-ring binder

Homework: Light

49. CARDS, BOARD GAMES, AND FUN

4<sup>th</sup>-6<sup>th</sup> grade co-op class ideas

Each week we will visit, play games, and build friendships. Some games we will play include Life, Spoons, Monopoly, checkers, and more.

Fee: \$0

Supplies: Basic Class Kit

### **BEGINNING CROCHET**

Bring your favorite yarn and a crochet hook (sizes I-P). We will learn how to do some basic stitches and complete a simple project like a scarf or small blanket.

Fee: \$0

Supplies: Crochet hook, yarn, scissors

### **BOOK CLUB: BLACK HORSES FOR THE KING (4th–6th)**

An engrossing, thought-provoking retelling of the Arthurian legend through the eyes of Galwyn, a youth who redeems his father's honor and makes a name for himself by helping Lord Artos secure horses large enough to carry the future king and his knights in their battles to defend Britain

against Saxon invaders. Weekly home reading assignments will be discussed in class. We'll also study the Celtic, Roman, and Saxon cultures and history of the era, the traditional Arthurian legends, and horse lore associated with the book, and engage in some period-inspired crafts. "Black

Horses for the King" is a Sonlight-recommended book. Class Goal: Students will learn what history reveals about the real King Arthur, and how his legend grew. We'll also learn about the cultures and histories of the three main people groups involved.

Fee: \$7

Supplies: Basic Kit with colored pencils; copy of "Black Horses for the King"

Homework: Moderate

### **BUCKET DRUMMING (4th–12th)**

This class will allow students to work individually and as a team. Students will be introduced to "bucket drumming" basics and will work collaboratively to produce a piece for the Night of Enrichment showcasing their new skills.

Learning to keep a beat is a definite bonus!

Class Goal: Students will gain confidence in their ability to learn something new as well as a new appreciation for team work.

Fee: \$7

Supplies: None

Homework: Light

### **PLASTIC CANVAS (4th–6th)**

We will be learning to make flat and 3-dimensional crafts with plastic canvas and yarn. Previous students may do more advanced projects. Class Goal: Learn to work with plastic canvas, written/drawn designs, counting spaces, and improving fine motor skills.

Fee: \$5

Supplies: Basic kit

### **TEAM CHALLENGE (4th–6th)**

Each week, the group of students will play games, be presented with a physical and mental challenge, and will debrief the experience at the end. Challengers are for a team of students to complete together. Class Goal: Increased leadership and faith formation; learning to work as a team to problem solve.

Fee: \$5

Supplies: Athletic clothes & shoes

### **PADDLE TO THE SEA (4th–6th)**

A little hand-carved canoe, named Paddle-to-the-Sea, is the subject of this delightful story (and class). Carved by an Indian boy, it is placed in the headwaters of the Great Lakes to make its way to the sea. Traveling through all the Great Lakes and eventually the St. Lawrence Seaway, students

will learn about the history, industry, geography, seasons, tides, currents, locks, inhabitants, and animals of this fascinating region. We will read 2-3 chapters in class each week, explore the story with extracurricular activities, and create a huge 18"x24" map of the region. Students will each have a research topic as homework and report to the class in different weeks. A complete notebook will be kept with everything we learn about the Great Lakes region. Class

Goal: The goal of this class is to thoroughly study the Great Lakes region with history, geography, and science.

Fee: \$10

Supplies: Basic kit (with colored pencils & pencil sharpener and markers)

Homework: Light

### **ULTIMATE FRISBEE (4th–6th)**

A little like soccer, a little like football, and a whole lot of fun! That's Ultimate Frisbee. Players work with teammates to move the disk down the field, while the opposing team strategizes to intercept and gain control of the Frisbee. Teams score when they connect with a teammate in the end zone. Players will take turns serving as captains (choosing teams, planning strategy, etc.). Class Goal: Developing sportsmanship and the pure joy of playing are the goals of this game, even on the pro level. We'll also learn the rules, strategy, and Frisbee throwing skills.

Fee: \$1

Supplies: athletic clothes, water bottle

### **ADVANCED PAINT BY NUMBERS (4th–12th)**

Advanced paint by numbers are incredibly challenging, but also so rewarding. They take patience and precision. Students will purchase their own paint by number kit before classes begin, and we will work on them in class.

Difficulty will depend on the chosen painting. \*\*Students will be re-

quired to purchase their own paint by number prior to the first class. I will contact parents with suggestions for what and where to buy after registration.\*\* Class Goal: Students will have a masterpiece completed by the end of the semester. We'll display these at the Night of Enrichment.

Fee: \$0

Supplies: Paint by number kit; additional brushes are optional

Homework: Light

### **INTRO TO CLASSICAL LITERATURE (4th–6th)**

This class will see students taking home and reading a classic piece of literature. Students will write a 2-page paper following their reading to be returned to class. One page will comprise their research on the author, and the other page will comprise what they read. Class Goal: Students will have an easy but comprehensive introduction to classic literature.

Fee: \$0

Supplies: Basic kit

Homework: Heavy

### **POPSICLE STICK FUN (4th–6th)**

This class will allow students to work individually and as a team. Students will research things they want to attempt to build and will either print out specs to work with or draw a

plan out themselves to follow. Class Goal: Students will gain self confidence in their ability

to not only imagine what they might build but also in their physical ability to actually build their ideas.

Fee: \$0

Supplies: Basic kit

### **SIMPLE MACHINES WITH LEGOS II (4th–6th)**

We will continue to learn about simple machines by using the Lego Simple Machine sets. We will review each type of simple machine and then use all we know to work through problem-solving activities. Legos and Learning! You can't beat that! Class Goal: Students will learn basic concepts and vocabulary of simple machines.

Fee: \$15

Supplies: Basic Kit

### **Educational Games**

Come play and learn with some of your favorite games. We will have "Spelling Bees"; "Math Bingo" with addition, subtraction, and multiplication facts; "Backs to the Board," a word guessing game, "Trash Can Basketball" and more!

Fee: \$1.00

Supplies: Basic Class Kit, paper

Homework: light

### **Beginning Sewing**

Children will learn basic sewing skills, measuring, threading machine, use basic stitching, understanding patterns, and earning all parts of the machine. They will also be working on a sewing project of something they will be able to use.

Fee: \$5.00

Supplies: tape measure, seam guide, wrist pin cushion, thimble, scissors (to cut thread), straight pins, pencil box to hold everything (or sewing box)

Homework: none

### **Beginning Calligraphy**

Learn the art of decorative writing. We will learn two Italic script alphabets, using time in class to work on a project of your choice (Bible verse, proverb, poem, etc.). We will also cover page layout and decorative flourishes. Paper and pens will be provided.

Fee: \$5.00

Supplies: please bring pencil, eraser, ruler, and old shirt or apron to protect your clothing.

Homework: none

### **Little House Cooking**

If you love Little House on the Prairie, and you've always wanted to try the foods described in the books, then this is your class! Using the Little House Cookbook, we will make a different authentic recipe every week and then eat it! We will enjoy foods that the Ingalls family and the Wilder family enjoyed. All ingredients will be just like in the book, so some of the ingredients may not be suitable for those with food allergies or intolerance.

Fee: \$3.00

Supplies: Apron or over shirt

Homework: none

### **What Researchers Learn From Small Living Organisms**

We will look at microscopic organism; discuss how researchers use these organisms for research. We will look at carnivorous plants and discuss how they work.

Fee: \$10.00

Supplies: Basic Class Kit

Homework: light

### **Beginning Origami**

\*Boxes and Birds; Boats and Coats; Frogs and Dogs\* We can learn to make these – and more! – in Beginning Origami. Mastering basic folds is the key to unlock your skills. Come fold with me!

Fee: \$10.00

Supplies: 1 folder with pockets; 1 Ziploc bag (qt or gallon size)

Homework: light-moderate

### **Crafts**

For all of you creative people come prepared to use a variety of mediums and your most creative and willing attitude. Who knows what we will get into?

Fee: \$10.00

Supplies: general craft stuff – scissors, paint brushes, needle nose pliers, hammer, wire cutters and other as needed.

Homework: none

### **Jewelry Making With Beads**

We will be learning how to design and make necklaces, bracelets and earrings. We will design and make napkins rings.

Fee: \$15.00 / \$10.00 if you were in the spring class

Supplies: Basic Class Kit

Homework: none

### **Lewis & Clark: Their Journey of Discoveries**

The Lewis & Clark Expedition was a milestone in American History – a brave, bold adventure that paved the way for the fledgling nation's stretch from sea to shining sea and yielded vital contributions to the natural sciences. This

history class will include fun doses of geography, botany, earth science and good ole American creativity as we retrace the route of the Corps of Discovery, prepare a plant identification book, study the lunar cycle, explore bird dances and make a buffalo mask. All crafts will be age appropriate. Weather, time and interest allowing, we may also plan a Saturday field trip to explore animal tracks. If we have homework it will be very light – perhaps one topic/student to research and share in class.

Fee: \$4.00

Supplies: Basic Class Kit

Homework: light

### **Badminton**

We will learn the rules of Badminton and learn how to play the game.

Fee: \$0

Supplies: gym clothes and tennis shoes

Homework: none

### **Chess**

This class will give you a place to continue to build your skill and strategy while learning new ideas. Prepare to be challenged and have fun. Four way chess included. (You need to already know how to play chess or have taken the chess class last semester.)

Fee: \$0

Supplies: Basic Class Kit

Homework: none

### **Pirates Past Noon**

Ahoy! It's a treasure trove of trouble...We will discover what pirates were really like as we dig up the answer with Jack and Anne as they are whisked back to the days of deserted islands and Nasty pirates!

Fee: \$3.00

Supplies: Basic Class Kit

Homework: none

### **Creative Poetry**

In this class we will have some fun learning about poetry. We will learn some basics about the structures of poetry but we will mainly just learn to express ourselves without the boundaries of grammatical rules. We will also lightly touch on some well known poets.

Fee: \$3.00

Supplies: Basic Class Kit

Homework: light

### **Boy, Have I got Problems**

This book is written by Kay Arthur and Janna Arndt. This is an inductive Bible study using the book of James. Boy, Have I Got Problems is a Bible study that takes everyday problems that children face and helps them find the answers on how to handle them in the book of James. It is a way to help kids

understand how to use God's Word for all situations. This is a great discussion class as well as workbook.

Fee: \$7.00 (includes book)

Supplies: Basic Class Kit

Homework: none

### **Math Around the World (4-6)**

We will learn about various cultures and play a math game from that culture. We will discuss and test strategy for games such as NIM, Towers of Hanoi, Shongo Networks, etc. Some weeks we will practice writing our strategies and other weeks we will simply discuss them.

Fee: \$0

Supplies: Basic Class Kit

### **Jonathon Park – Creation Science (4-6)**

Science and the Bible will come to life each week as students listen to a 30 minute, high-interest, action filled audio drama and then participate in lively discussions and hands on activities relating to the audio show. A young-earth, six literal days of creation

approach is used to interpret actual scientific discoveries and theories. Evolution vs. creationism is commonly discussed.

Fee: \$0

Supplies: Small 3-ring Binder or paper folder w/brads

Homework: None

### **Living History (4-6)**

In "Living History" you will choose a person from history, alive or dead, and study their life. You get to research them and learn about their life, death and what made them memorable. On the Evening of Enrichment you get to re-enact their life and death to become "living history".

Fee: \$0

Supplies: Notebook, pencil, book on historical person

Homework: Moderate to heavy

### **1775 (4-6)**

In 1775, after years of diplomacy failed to secure their full rights as Englishmen, American colonists launched a revolution that changed the world. We will take an exciting, detailed look at the first year of the War for Independence, beginning with the road to war and concluding with Henry Knox's incredible plan to deliver Boston from the British. Class activities will include map work, memorization of patriotic quotes, and creating a keepsake 1775 "smash book".

Fee: \$5

Supplies: Colored Sharpies or markers; map pencils; glue sticks

Homework: Light

### **Asia Geography (4-6)**

I will be using the My Father's World Exploring Countries and Cultures curriculum as a guide for this class. Homework will include reading one chapter per week YWAM's biographies Gladys Aylward and Amy Carmichael. I will try to have a craft and food to sample for each country.

Fee: \$10

Supplies: YWAM Biographies: Gladys Aylward & Amy Carmichael

Homework: Light

### **Home Economics (4-6)**

Elementary Home Ec with a kitchen focus. We will talk about safety, supplies, recipes and menu planning. We will create a lapbook with all of these topics. We will have a little homework each week.

Fee: \$10

Supplies: Basic Class Kit

Homework: Light

### **Hello, My Name is.... (4-6)**

Each week, each student will give a 3-4 minute presentation in class. It's a great time to learn the important skills of speaking AND listening. We will be working on skills such as eye contact, posture, pace, timing, listening, etc. Topic suggestions will be given each week, but of course, the student/parent can select another topic if working on something at home. Feedback will be given each week. This will be a fun class!

Fee: \$0

Supplies: None

Homework: Moderate

### **Maps, Maps and More Maps (4-6)**

If you love maps or just want to learn more, this is the class for you! We will be learning how to study, read and locate using maps. We will study maps of all kinds: world, country, continents, states and even local maps. We will learn all about continents, oceans, equator, latitude, longitude and making your own maps. We will also be learning about GPS and geocaching.

Fee: \$3  
Supplies: Map pencils  
Homework: Light

### **Texas History Part I (4-6)**

Which sovereign nation became a state in the USA? Which state had a famous battle known more for the loss than a win? Which state was settled by the “300”? These things and much more, we will learn as we discover Texas History and the impact it has had and still has on this nation.

Teacher: Ellen Samek  
Fee: \$20 for the year/2 semesters  
Supplies: Basic Class Kit/3 ring binder  
Homework: Light

### **Math Games (4-6)**

We will be learning and playing games that solidify basic math skills (multiplication, division, fractions).

Fee: \$5  
Supplies: Basic Class Kit  
Homework: Light

### **Legos (4-6)**

We will be using LEGOs to learn about art, science, history, language arts, and math.

Fee: \$12  
Supplies: Basic

### **On Stage (4-6)**

Lights, camera, play! Through drama games and non-threatening group activities, we will learn the basics of the stage and theater. We will practice the basics of voice projection, on-stage movement, and dramatization. A great class for the budding thespian or reluctant orator.

Fee: \$0  
Supplies: Basic  
Homework: Moderate

### **History Meets Duck Tape (4-6)**

Travel through history and literature while creating your own costumes and weapons! Almost anything can be made with some cardboard, duck tape, and other simple items. Make helmets, axes, swords, shields, and armor from ancient history and literature while learning about the warriors who used them. Of course, you'll learn the proper way to use the weapons as we practice with our creations. Students will be given step-by-step instructions for various pieces. Age-appropriate historical movie battle scenes will be shown in class occasionally; parents may check with me for a list.

Fee: \$10  
Supplies: Basic; Scissors, Black Sharpie

### **All Things Fun and Fascinating**

We will continue to explore writing using the IEW model for Level A (beginning) students. We will study structure, style, grammar, and vocabulary at a pace modified to accommodate this age group. However, the homework requirements will still be heavy, as there will be writing at home on a weekly basis. Parental involvement would be greatly appreciated, as these students will most likely need assistance in writing and/or typing their assignments. That being said, I am planning for a fun

class as we develop and refine our writing skills utilizing the source texts from IEW's "All Things Fun and Fascinating." This is the second semester in a two-semester course. Previous enrollment is not required; however, prior IEW exposure is recommended.

Fee: \$5 (unless you need a book)  
Supplies: Paper, pencils, ½" binder, 3x5 index cards

### **Music Theory (4-6)**

This class will be a continuation of Music Theory from the fall, but that class is not a prerequisite. We will go over musical notes, dynamic markings, note names, rhythm, intervals, and other terms. Students will be expected to complete 1-2 worksheets per class and participate in clapping drills, too. This could be a great complement to any

private lessons your child already takes. Homework will simply be practicing the concepts at home, and is optional, but encouraged. If your child has a small, portable instrument and would like to show his/her skill at the end of class each week, they may bring the instrument.  
Fee: \$0  
Supplies: Basic  
Homework: Light (optional)

### **Soccer**

Children who have never played soccer will be learning about the rules of the game, how to play, how to work with their teammates, and how much fun soccer is. Those that know the game get a chance to use their skills to compete with each other in a friendly manner.  
Fee: \$0  
Supplies: Comfortable shirt, shorts or long athletic pants, shin guards, soccer socks, and comfortable athletic shoes or soccer shoes.

### **Art Smorgasbord (4-6)**

We will experiment with different media, i.e. watercolor, pastels, conte, charcoal, etc. We will create artwork to display in our homes to uplift our families and share our talent. The older class will learn about famous artists' pieces and copy their style.  
Fee: \$5  
Supplies: Basic  
Homework: Light

### **Christian Heroes A (4-6)**

In this class, we will listen to 2 audio biographies. Jacob DeShazer: Forgive Your Enemies is the story of one of the famous Doolittle Raiders who attacked Japan after the bombing of Pearl Harbor. After being captured, he spent time as a Japanese POW, then returned to serve his former enemy for 30 years as a missionary. Nate Saint: On a Wing and a Prayer is the story of one of the five missionaries who gave their lives to bring the gospel to the Auca Indians of Ecuador. We will do map activities related to the books.  
Fee: \$0  
Supplies: Basic Class Kit  
Homework: None

### **Star Wars Rocks B (4-6)**

We can all quote Yoda, but did you know that those sayings relate to God's Word? Let's explore this galaxy together!  
Fee: \$5  
Supplies: None  
Homework: None

### **Meal Masters (4-6)**

Are you hungry? This is the class for you! Meal Masters will teach you all that you need to know to make simple, healthy, and delicious meals. Every class, we will prepare a different food, including breakfast, lunch, dinner, and dessert foods. The best part is that we will get to eat all of our tasty creations!  
Fee: \$7  
Supplies: Clean hands, good behavior, and a hearty appetite  
Homework: None

### **Minecraft (4-12)**

We will be learning Redstone Mechanics as well as other Minecraft-related things.  
Fee: \$0  
Supplies: Basic Class Kit, laptop, Minecraft membership on computer. The iPad app will not work in this class.  
Homework: None

### **Scientific Method**

We will spend the semester honing our thinking skills as we learn about the Scientific Method. Each week we will use an in-class experiment to apply the various steps of the Method. We will learn many science concepts as we move

toward our primary goal of discovering how to think critically “like a scientist.” By the 5th week, students will be encouraged, but not required, to begin a science fair project at home. A how-to packet will be sent home with a list of sources for helping the parent with this project. Each student’s Science Fair Project will be displayed at the Night of Enrichment. All Science Fair Projects will be done independently of class. This is a chance for you and your student to “do some science.” If you would like to use this opportunity to encourage other students in your home to do a Science Fair Project, we will be glad to display all projects at Night of Enrichment.

Fee: \$5

Supplies: Basic Class Kit

Homework: Moderate/Heavy (depending on how much parents want to do)

### **Art-Opia (4-6)**

We will use various techniques to draw lots of fun and powerful animals, including cougars, foxes, wolves, hawks, bears, lion cubs, foxes, ferrets, pandas, butterflies, dolphins and more! We will draw; we will paint; we will have lots of fun and learn more about these fearsome creatures.

Fee: \$10

Supplies: Basic Class Kit/colored pencils/markers

Homework: None

### **EGG TO CHICK**

Come eggsplode the world of poultry in the “Egg to Chick” class. We will discuss and learn about different varieties of chickens. Learn about embryology, build a “candler” to take a peek at our developing chickens. Prepare a brooder and learn how to care for our new baby chicks.

Fee: \$0

Supplies: Basic Class Kit

### **DRAW YOUR WAY THROUGH HISTORY**

Whether you love to draw, or you prefer to work with stick figures, you can actually draw your way through history by following step-by-step instructions. This easy class will have all levels of students illustrating history from creation, through the Bible, ancient Egypt, Rome, and Greece; on to the Viking era and Middle Ages, the age of pirates and explorers, and Revolution to American Indians, cowboys, and on to the Titanic and the Space Shuttle. Nothing is too hard - you will be amazed at the artist inside you!

Fee: \$0

Supplies: Basic Class Kit; colored pencils, regular pencil, blank sketch book

### **AUTHOR AND ILLUSTRATOR**

In this handwriting/drawing class, students will make two storybooks using the “Draw Write Now” course. Students will make a book about life on the farm, and a book about kids and critters. Their books will be displayed at the Evening of Enrichment.

Fee: \$5

Supplies: Basic Class Kit

### **EXPLORING CREATION WITH CHEMISTRY AND PHYSICS**

Based on Apologia’s newest elementary textbook, this class will introduce students to the basics of chemistry and physics. We will learn basic chemistry and physics vocabulary and do a bunch of experiments. Topics will include states of matter, periodic table, mixtures and solutions, mechanics and dynamics of motion, etc. Science always points to our Creator, and this class is no exception.

Fee: \$15

Supplies: Basic Class Kit; set up free Quizlet account to have access to vocabulary words (quizlet.com)

Homework: Light

### **SIMPLE MACHINES LEGOS**

We will be learning about the 6 simple machines and experiment with them by building and problem solving. This is a pre-requisite for the more advanced middle school LEGO class Simple and Powered Machines that will be offered in the Fall. If your 6<sup>th</sup> grader hopes to take the Simple and Powered Machines, they need to take this class first. The class fee will go towards purchasing some missing pieces. They will not be bringing LEGOs home at the end of the semester.

Fee: \$3  
Supplies: Basic Class Kit

### **CREATIVE WRITING**

Each week the class will be given a writing topic, and they will write a one-page essay about the topic given. After the first class period, the students will use their class time to share what they've written with the others.

Fee: \$0  
Supplies: Basic Class Kit  
Homework: Light to Moderate

### **BOOK CLUB FOR GIRLS: "MANDY...HOW DOES YOUR GARDEN GROW?"**

The orphaned Mandy finds solace in a mysterious cottage and its abandoned garden. But where will she find true joy? We will explore this classic by Julie Andrews (Mary Poppins!) Edwards, as well as the secrets of our own gardens. Book will be divided between reading in class and (some) at home. Projects include conducting soil tests of each family's garden, starting antique tomato and pepper plants from seed, and compiling a basic botany/gardening book. Also will plan a garden with compact plants.

Fee: \$10  
Supplies: Basic Class Kit; Mandy book by Julie Andrews Edwards  
Homework: Light

### **SHOW ME & TELL ME**

Build your communication skills while playing Show and Tell. Each week will be a different theme. You will create a speech for homework and share during class.

Fee: \$0  
Supplies: Basic Class Kit  
Homework: light

### **Native Texas Plants (4-6)**

In this class we will learn about Native Texas plants, their purpose and uses.

Fee: \$0  
Supplies: notebook, pen and folder  
Homework: none

### **Watercolor (4-6)**

Watercolor painting using video and teacher guided as well. This is a two hour class. You may choose to take the first hour, the second hour, or both. The charge is the same no matter which you choose.

Fee: \$25  
Supplies: none  
Homework: none

### **Intro to Public Speaking (4-6)**

Children will learn the basics of public speaking: Talking in front of group, techniques, choosing interesting subjects and how to be a supportive audience.

Fee: \$0  
Supplies: Basic Class Kit  
Homework: light to moderate

### **The Door in the Wall: A Medieval Odyssey**

Set in England of 1348, Marguerite DeAngeli's Newbery Medal book *The Door in the Wall* explores the adventures of Robin, a 10-year-old lad of noble lineage bound for a life of adventure as a knight in training. When illness strikes and Robin's future is in doubt, faithful Brother Luke assures him that with God, there's a door in any wall we might face. This is a history-through-literature class. We will use Robin's story as a base for exploring Medieval England. We'll briefly discuss the Norman Invasion of 1066 (which resulted in the introduction of the feudal system), and the effects of the bubonic plague on Europe. Planned class activities are: mapping the journey from London to Wales;

exploring the customs and foods of the Middle Ages; studying heraldry and creating a Coat of Arms; playing Medieval games; building a castle; and archery. We'll also view a scene from the

movie “Dragonheart,” where a disheartened knight recalls the code of chivalry and returns to his true calling. The Door in the Wall is a 10-chapter book. It is listed as recommended reading by Sonlight, Beautiful Feet, Veritas Press, and Classical Conversations. Suggested reading level is ages 9-12, or 4th -8th grades. We will review excerpts and discuss the story each class period. But to fully benefit from this study, students will need to do some reading at home.

Fee: \$3

Supplies: Basic Class Kit, a copy of The Door in the Wall

Homework: Moderate

### **Quilting for Fun (4-12)**

Come and make your very own quilt! For new or returning students. Must have and be able to use your own sewing machine. Fabric: 100% cotton, and batting. I will let you know how much fabric at later time. This is a two hour class. You may choose to take the first hour, the second hour, or both. The charge is the same no matter which you choose.

Fee: \$2

Supplies: Sewing machine, scissors, straight pins and material

Homework: light

### **Fun with Spanish (4-6)**

This will be a fun introduction to Spanish with games, songs, crafts, etc.

Fee: \$15

Supplies: Basic Class Kit,

Homework: light

### **Tour of Texas (4-6)**

Our tour will take us all around our wonderful state. We will study geography, some history, interesting and unusual features, climate culture and more. Much of the class will be planned around the themes in “Texas Jography”.

Fee: \$5

Supplies: folder with prongs, paper, colored pencils for maps

Homework: light

### **Beginning Music Theory (4-6)**

Starting at ground zero of learning music the children will learn notes, spaces, lines, clefs, time signatures, and such. They will have a book or printouts to work in and practice. We will have examples of notes/sounds to demonstrate with and apply what is being taught.

Fee: \$0

Supplies: pencil and eraser

Homework: None

### **Holiday Crafts (4-6)**

My goal is to have the student to make and take home an item each Friday. The items may be kept by the student or used as a Christmas gift for a family member. For the November class, each student will need one roll of WIRED ribbon (can be found at Dollar Tree for a \$1.00)

Fee: \$6

Supplies: scissors, ruler, glue or LOW TEMP glue gun, and a pencil

Homework: none

### **Skits for Public Speaking (4-6)**

Activities for dramatic reading and confidence building skills. Afraid to get on stage? We'll have easy activities to build confidence.

Fee: \$0

Supplies: Basic Class Kit,

Homework: moderate

### **Beginning Sign Language (4-6)**

In this class we will learn beginning sign language to music. We will perform the “Night of Enrichment”.

Fee: \$1  
Supplies: none  
Homework: light

### **Jewelry Making (4-8)**

Students will use creative talent to design bracelets, necklaces and earrings.

Fee: \$25  
Supplies: Bead board & beads  
Homework: none

### **American Girls Dolls' Birthday Stories (4-6)**

We will meet one American girl each class hour and take a look at her birthday story and the history of her time period. The birthday girl and her birthday party accessories will be set up on display each week. It would be nice if the class could have an American Girl sleepover locally (my daughter's home) with a favorite American Girl supper, American Girl breakfast and Felicity, Samantha and Kit videos. At the end of EC we will have our own American Girl birthday party.

Fee: \$0  
Supplies: Basic class kit  
Homework: willingness to participate

### **Signs for His Glory (4-6)**

This is a beginning sign language class, but we will cover a lot, starting with the manual alphabet. We will learn a different character quality each week, such as diligence and obedience, as we learn to sign. Each week, we will also learn to sign a Bible verse, a song or two, and at least 20 new words. Intermediate sign language students are welcome.

Fee: \$0  
Supplies: Basic Class Kit  
Homework: Moderate

### **God's Appointed Times C (4-6)**

God gave the Biblical holidays to His people to teach them about Him and about their relationship. We will learn about the nine holidays, the histories, traditional observances, and so much more. Come discover the rich heritage that belongs to all Jews & Christians.

Fee: \$10  
Supplies: Basic Class Kit  
Homework: Light

### **Silly Poems (4-6)**

We will spend the first three weeks reading and practicing a poem by Shel Silverstein. During this time, we will learn about good oral skill and techniques. Each student will then pick out a poem they like and work on these skills. At the end of the semester, they may recite their poem at Evening of Enrichment if they choose.

Fee: \$4  
Supplies: Basic Class Kit/Highlighter  
Homework: Light

### **Games and Snacks (4-6)**

This class is only about fun! Games have always brought people together through laughter and good times. We are going to pull out all of the games we can think of: board games, card games, charades, maybe even "hide-and-go-seek!" Students are encouraged to sign up on the first day of class to make or buy a snack for class. Let's just have a good time!

Fee: \$0  
Supplies: A game  
Homework: None

### **Mountain Born**

Journey into literature with Elizabeth Yates and her 1943 Newberry Honor Book. Each week we will discuss, craft and study about Peter, Benji, and a lamb named Bidy.

Fee: \$5

Supplies: Basic Class Kit, copy of book in the media of their choice (Amazon paperback is 8.99, or Kindle edition 5.79)

Homework: light; reading

### **Eating your way through the USA (4-6)**

Students will take a fast paced 10-week tour of our magnificent country and sample some delicious foods from each state along the way. A different geographical region will be discussed each week as we take a look at the history, geology, topography and places of interest for that region.

Fee: \$12

Supplies: Small 3-ring binder or paper folder with brads, map and pencils

Homework: None

### **Pioneers from the Past (4-6)**

“Little Kids from the Prairie” I will teach kids how people lived in the past and how we could be more economical today. There are many ways of the past that can still be helpful today.

Fee: \$0

Supplies: Glue, scissors, crayons and pencils

Homework: None

### **Math Games (4-6)**

We will be learning and playing games that solidify basic math skills (multiplication, division and fractions).

Fee: \$5

Supplies: Basic Class Kit

Homework: Light

### **Baked Goods (4-8)**

This will be a class where young kids will learn and practice kitchen skills by making various baked goods. Students will also learn basics of cake decorating. Cleanliness of kitchen and hands will also be learned.

Fee: \$20

Supplies: Measuring cups and spoons, mixing bowls, hand mixer and baking pans.

Homework: Moderate

### **Advanced Beginner Penny Whistle (4-8)**

In this class the beginning pennywhistle player will continue to learn to play, focusing on the more complicated tunes in the second half of the tune book. Anyone who has completed a beginner class may join us as long as you are willing to practice at least one hour a week at home.

Fee: \$0

Supplies: Irish Pennywhistle key of D, Feadog tune book.

Homework: Moderate

### **Simply Drawing (4-6)**

Each week we will watch a brief 15 minute video that is designed to give children confidence in drawing by following very simple step by step instructions on how to draw a specific art work. Skills learned are: freehand drawing, following instructions and using their own finishing touches.

Fee: \$5

Supplies: pencils, eraser, bold tip markers, 24 county crayon set

Homework: None

### **Wiffle Ball (4-6)**

In this class we will learn the history of Wiffle Ball as well as the modern day rules for this fun sport. We will learn how to play and encourage good sportsmanship.

Fee: \$0

Supplies: Comfortable clothing, tennis shoes

Homework: None

### **Photography (4-6)**

Each week the kids will have an assignment to bring back with them the next week. (If you want me to develop the pictures and bring them to class then email them to me on Tuesday morning – melissiaraye@gmail.com ) The money collected from this class is to develop pictures.

In this class we will photograph animals, still life, landscapes, close-ups, cool-funny pictures, nature and point of view. I will highlight on the technical stuff (lighting, focus, etc) because most of all I want this class to be fun and instill a love of photography.

Fee: \$5

Supplies: CHARGED Camera

Homework: Light

### **Simple Machines (or Mini Weapons) (4-6)**

We will learn to read simple building plans, learn the basics of simple machines and stretch our engineering skills by building simple weapons from items found around the home and in the office. Small launders, sling shots, catapults and bows are but a few weaponry/simple machines to be built. We will begin the first week by creating a fun target for our arsenal.

Fee: \$5

Supplies: Safety goggles or protective glasses

Homework: None

### **Games (4-6)**

Just a fun social time playing games. We will play Pictionary, Apples to Apples, Sorry and whatever favorite game another student might want to bring and play.

Fee: \$0

Supplies: favorite game

Homework: None

### **Moody Science (4-6)**

With the Moody Science Video Classics you'll explore the intricate beauty of a simple snow crystal. Marvel at a desert flower too tiny for the sharpest eye to see. Visit an incredible City of the Bees. Learn about fish that lay eggs on dry land, birds that navigate for thousands of miles without a map or compass. Would you believe that heat isn't hot? Steel can float in mid-air? And even the most solid substances aren't really solid at all? For more than fifty years, Moody Science Classics have unfolded the miracle of nature's mysteries while showing how the wonders of creation reveal the majesty of God.

Fee: \$0

Supplies: Basic Class Kit and colored pencils

Homework: None

### **Genesis for Kids-Science Experiments on Creation (4-6)**

We will be exploring our world and beyond through science experiments in the order of the 7 days of Creation. There will be fun and fascinating experiments which teach interesting key science concepts which point to God's design and purpose in Creation. We will also be learning about doing science safely and what tools are needed in our "toolbox" when performing science experiments.

Fee: \$5

Supplies: Basic Class Kit

Homework: None

### **Skittles (4-6)**

Skittles!! We will use everything from fingers and feet to skittles and sweet treats to do multiplication, fractions, volume, mass, perimeter, mean median and mode. We will play games too.

Fee: \$5

Supplies: Basic Class Kit and supplies as needed

Homework: None

### **Spelling 101 (4<sup>th</sup>-6<sup>th</sup>)**

We will play games like spill and spell, boggle, scrambled words, etc. We will also have a weekly spelling bee as well as a weekly review of some of the spelling rules. Some discussion of syllabification to help them spell better.

**Fee:** \$5.00  
**Supplies:** Basic Class Kit  
**Homework:** none

**American Girl – Meet Josefina (4<sup>th</sup>-6<sup>th</sup>)**

Meet Josefina an American Girl from 1824. We will learn about life in early New Mexico with reading, crafts, and cooking. We will also learn about Josefina's world with map activities. We will plan a field trip to the American Girl Store and Bistro at the Galleria Mall in Dallas on March 22<sup>nd</sup>, which is the off week for this semester. The field trip is optional.

**Fee:** \$8.00  
**Supplies:** Basic Class Kit  
**Homework:** none
